

## LOGO INFO FORM

My website will have \_\_\_\_\_ number of pages. (leave blank if not sure)

Explain the content briefly: (what is the site's purpose, what information will be included)

The design elements I want to include are: (colors, theme, look (professional/classy/fun/child-like, etc. - leave blank if not sure)

The most I want to spend on my website is:

These websites have a similar design/layout to what I have in mind:

I need the site up and running:

- Immediately
- As soon as possible
- As quickly as we can, but it is not extremely urgent
